

Notifications of evidence uploaded by learner

An assessor is able to receive an email notification once a week to advise of any evidence which has been uploaded by the learners.

The screenshot shows the VQ Manager interface. At the top, there's a header with the logo and navigation links: Home, My learners, Assessment tools, and Reports. Below this is a row of icons for To do, Info, Learner progress summary, My activity log, Personal details, and Messages. The main content area is a user profile form for Andre Pretorius. It includes fields for User name, Password, Title, Forename, Mobile telephone number, and Email. The Email field is highlighted with a red asterisk. Below the Email field is a dropdown menu for 'Receive e-mail reminder for unassessed evidence' set to 'None'. At the bottom right are 'Save' and 'Cancel' buttons.
