Progression Tracker

Ofsted need training providers to track progress and show 'value added' as you work through your qualification. The progression tracker function allows you to show a 'rating' against the criteria for a qualification, to show progression whilst on programme.

The tab called "Progression tracker" is in the **Reports** tab.

Evaluations are initiated and completed on an ad hoc basis, with the assessor deciding how many to do and when.

The first time an evaluation is created, the assessor will select a standard or qualification to run the task against. Once selected, this cannot be changed, and all subsequent evaluations will be run against this qual.

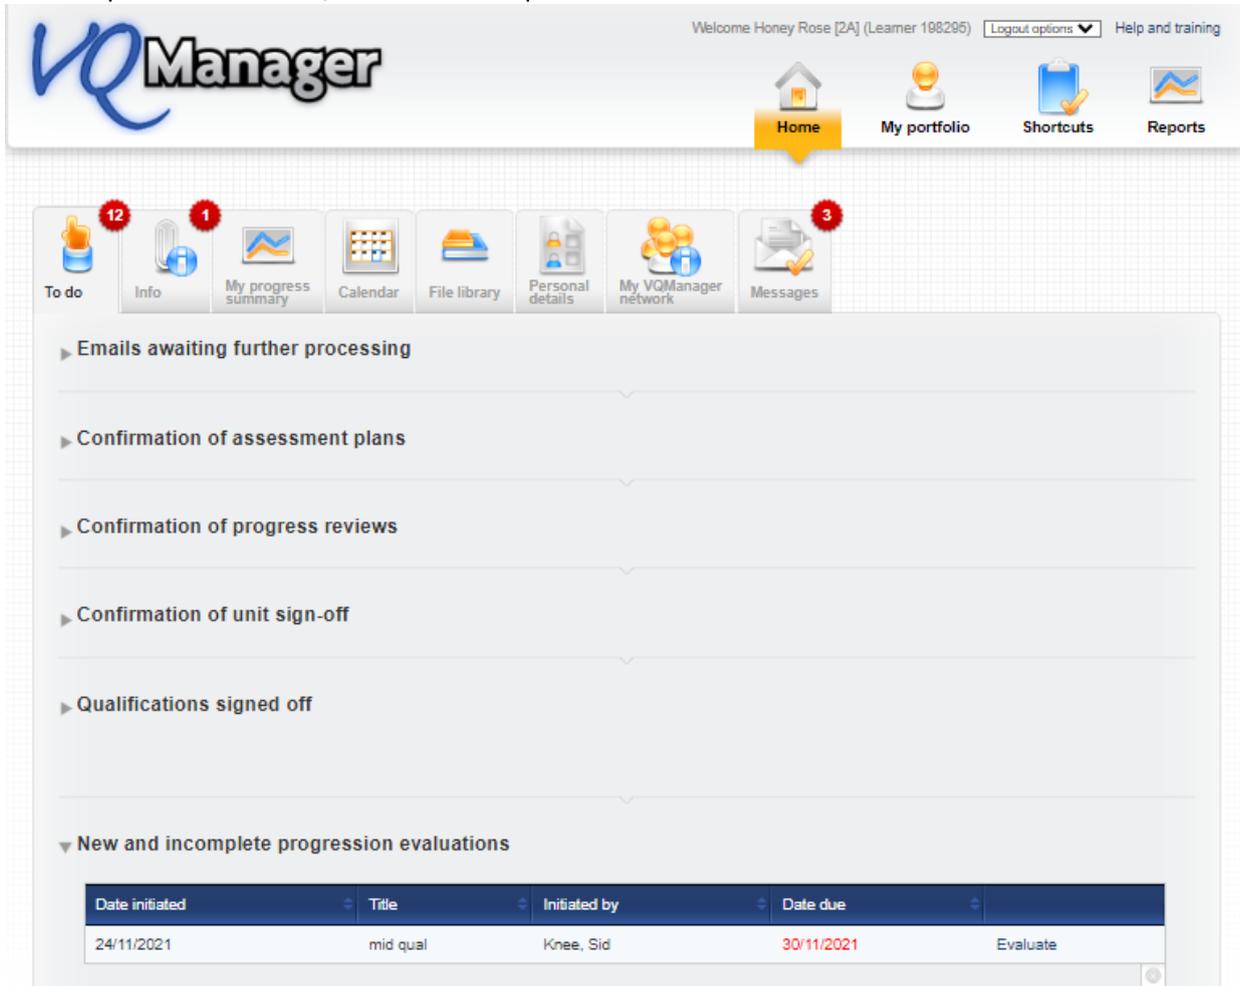

A due date in the date field is entered for both the line manager and the learner. The expectation would be for the target date to be within a week or two of the assessor initiating the evaluation.

The screenshot shows a form for creating an evaluation. It includes a "Line manager" dropdown menu set to "Select", a "Line manager target date" field, and a "Learner" dropdown menu set to "Anderson06, Charles <0>". Below these are "Learner target date" and "Learner target date" fields. There are two checkboxes: "Send notification email to line manager (if there is an email address)" and "Send notification email to learner (if there is an email address)", both of which are checked and highlighted with red boxes. A calendar widget is open, showing the month of February 2020. The date 27 is highlighted in yellow.

Where a valid email address is recorded in VQManager, an email will be sent to you. You will also see a notification on your To Do tab. These notifications will show red if the 'due date' has passed.

Learner - completing the Progression tracker request

On receipt of an email and/or To Do tab request follow the link "Evaluate".

The screenshot shows the VQManager dashboard. At the top, there is a header with the VQManager logo, a welcome message for Honey Rose [2A] (Learner 198295), and links for Logout options and Help and training. Below the header are navigation tabs: Home, My portfolio, Shortcuts, and Reports. A secondary row of tabs includes To do (with 12 notifications), Info (with 1 notification), My progress summary, Calendar, File library, Personal details, My VQManager network, and Messages (with 3 notifications). The main content area is divided into sections: Emails awaiting further processing, Confirmation of assessment plans, Confirmation of progress reviews, Confirmation of unit sign-off, and Qualifications signed off. A section titled 'New and incomplete progression evaluations' contains a table with the following data:

Date initiated	Title	Initiated by	Date due	
24/11/2021	mid qual	Knee, Sid	30/11/2021	Evaluate

The qualification will display in the "Progression tracker" tab displaying instructions .

Indicate your level of competence on a scale of 1 - 10, where 1 is not at all competent, and 10 is highly competent. Use the 'select all' boxes to indicate the same level of competence for a whole outcome or unit.

You can tick the options at unit or learning outcome or individual criteria levels.

There is a 'select all' quick tick box at unit level, which when selected populates all the criteria in that unit with the selected value.

There is a 'select all' quick tick box at learning outcome level too, which when selected populates all the criteria in that learning outcome with the selected value.

Until all contributors have completed their initial evaluation, the graph and the download matrix buttons will have no data to show.

Viewing previous Progression tracker evaluations

Users will not see each other’s work until all have completed their own evaluation and saved it.

At this point, the previous “view” link will change to “view all”, and the new view will show each user’s rating against each criterion, side by side. These are colour-coded for clarity.

Viewing a graph of Progression tracker

The results of the evaluations are available in a graph format.

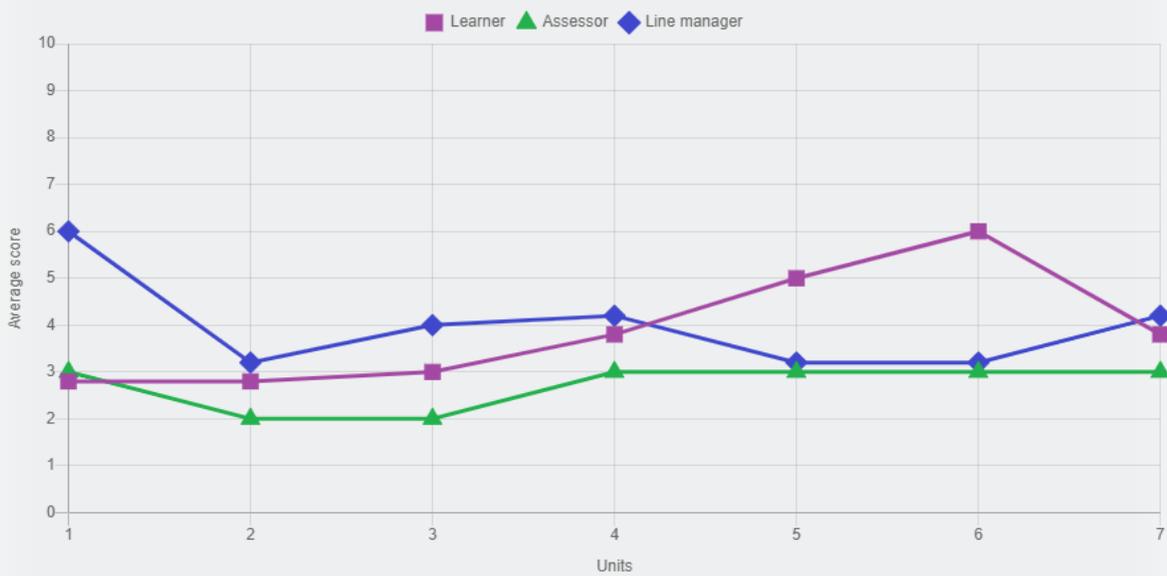

The first graph shows the average score per evaluation, with a different coloured line for learner, assessor and line manager, matching the colours above in the summary view of the evaluation.

Averages of completed progression evaluations

By clicking on the individual data points in the graph, it is possible to drill down and see the results of a single evaluation as a graph, again with separate-coloured lines for learner, assessor and line manager:

Selecting the “download matrix” button, an Excel spreadsheet will download revealing the scores for all users and all evaluations for the selected learner. This matrix also includes the average score for each criterion.
